Start the Communication

For [getting your ex boyfriend back](#), beginning the broken communication with him is of utmost importance. If you do not talk, then it is impossible for him to realize that you have feelings for him. Talk about your feeling with him directly before it is too late. The communication can begin with you calling him and meeting up personally. Direct and consistent communication in relationships helps in avoiding any kind of misunderstandings. This is undoubtedly one of the most important ways to [get your ex back](#).

Apologize for Your Past Mistakes

For all those who wish to know how to get my ex back, the suggestion would be to apologize for your past mistakes. By doing so, you can give the other person an impression that you have indeed changed and will not repeat the same mistakes all over again. For this, you need to keep your ego aside and be polite enough for your apology to be accepted. Following these suggestions will help you know [how to get your ex back fast](#).

Change Your Behavior

Another suggestion for [how to get an ex back](#) is to change your overall behavior. You should ask yourself what is it in you that she does not like. When you identify that thing, try to modify your behavior or conduct accordingly to [impress your ex boyfriend](#) or girlfriend. For example if you are short tempered, learn better self control. Though changing human nature is difficult, it is not at all impossible and when it is the question of your love life, you ought to give in your best try.

Always be Full of Surprises

For [getting your ex back](#), it is important that you are always full of surprises. So, sometimes, when you go to meet your loved one, present a wonderful gift – a thing which he/she always want. Sometimes, make a plan for a surprise party or a trip and be assured that this can work wonders for you. You will notice that your ex will slowly and steadily become friends with you and this friendship will translate into love later on. At this point, for getting back together after a break up, it is also necessary to be extremely patient as any mistake on your part can
