How to Get Boyfriend Back

The following article offers some good relationship advice on [how to get a boyfriend back](#) and live life positively, no matter what. Read on...

"Ever has it been that love knows not its own depth until the hour of separation." ~ Khalil Gibran

That's so true! Sometimes, we do not realize how much a person is important to us, unless and until we have lost him or her forever! But, there is one rule in life which I follow i.e. "never say never". So, for those girls out there who broke up over some relationship issues and now want their [ex boyfriend back](#), here is some useful relationship advice on [how to get boyfriend back](#).

#### Tips on How to Get Boyfriend Back after Break-up

##### **Know What You Want!**

Ok... now the first thing to do is to think clearly – Do you REALLY want him? It should not be a classic case of jealousy wherein you have seen him with his new gal and now want him back desperately! Another thing to think over is what made the two of you go through relationship break-up. If incompatibility was the reason, then you better think twice before getting back together, cause this is one thing in relationships which is either there or not. However, if the break-up was due to some mistake you made i.e. you were too pushy or always nagging him or worse, cheated on him, but now you realize your mistake, things can be worked out. ##### **Get in Touch!**

Now that you are sure that he is the one for you, and you want to know, "[how to get your ex boyfriend back after a fight?](#)", I suggest that you get in touch with him by giving him a call. Here, a useful advice to help you [get your boyfriend back](#), is to be very casual in your conversation. Do not at any point show how desperately you want him back in your life. Also, do not mention anything about the break-up. Sound casual and say that you called up to check how he was. You may read more on [how to get your boyfriend back](#). Suggest him that just because you two are no longer in a relationship, it does not mean that you can't be friends. If he agrees to it, it's a positive sign. However, if he does not, do not pester him. Simply say bye and hang-up. If he still likes you, he will call back. And if he does not, give up.

##### **Live Your Life!**

Assuming that you two again are on talking terms, one of the tips on [getting your ex boyfriend back](#), is to start living your life to the fullest. Although, it is easier said than done, considering that you have just had a break-up, yet as far as possible. try to be cheerful and happy. So. if you ask me. [how to get mv](#)

if possible, try to be cheerful and happy. So, if you ask me, **how to get my boyfriend back**, I suggest, go out with your friends, concentrate on your work or studies and date again! There's no harm in meeting new people, after all you are single! And if possible, let your ex-boyfriend see all this! Let him know that you have moved on and are happy! Most men prefer women who are independent and can take care of themselves, so you never know may be he starts missing being with a positive person like you!

### Be There for Him... Sometimes!

One of the super effective ways to **get your boyfriend back** is to be his good friend. So, **how to get boyfriend back**? Simple, when he is down and out, be there lending your support. If he discusses anything personal or something important, give your full attention. However, do not overdo it! Let him call you! Make a rule to **get ex back** and that is - if he calls you thrice, you call up just once! Let him miss you! The more he misses you, the more he will want you!

This was my take on how to get boyfriend back. It might work for you or it might not, so you need to keep an open mind. In the end, all I can say is that relationships and feelings are unpredictable! You can not force somebody to love you and at the same time you can not force yourself to not love somebody. So, give the whole thing some time. If he develops feelings for you again, good for you. However, do not pine too many hopes on it. Live your life the best way you can and if something has to happen, it will!
